GLOSSARY

Biodiversity Action Plan – (BAP) Species or Habitat as being a Priority for Conservation in Suffolk and or nationally

Countryside Stewardship Scheme – (CSS) Agri-environment grant scheme funded by Natural England – now replaced by Environmental Stewardship

Higher Level Stewardship – (HLS) – The higher tier of the Natural England Environmental Stewardship agri-environment grant scheme that helps to support conservation management of important semi-natural habitat.

County Wildlife Site – (CWS) A non- statutory designation that recognises a site's high value for wildlife
